

Abdul Samed Al-Hassan

Business Analytics · Financial Data & Market Research

Accra, Ghana · +233 540 781 042 · Absamed.b@gmail.com

PROFESSIONAL SUMMARY

Final-year Business Analytics student at the University of Ghana, Legon, with practical experience in data analysis, statistical reporting, and business research. Good at working with data to find useful patterns and present findings clearly. Interested in roles where analytical and technical skills can support better business decisions, including in finance and related fields.

Project Portfolio: [Absamed.github.io](https://absamed.github.io) (Data analytics and machine learning projects)

WORK EXPERIENCE

Business Development & Research Intern | [Frontier Dominion LLC \(USA\)](#) *Mar 2025 – May 2025*

- ▶ Conducted research on geopolitical trends, capital markets, and industry developments to support strategic decision-making.
