

Abdul Samed Al-Hassan

Accra, Ghana · +233 540 781 042 · Absamed.b@gmail.com

PROFESSIONAL SUMMARY

Final-year Business Analytics student at the University of Ghana, Legon, with practical experience in data analysis, statistical reporting, and business research. Good at working with data to find useful patterns and present findings clearly. Interested in roles where analytical and technical skills can support better business decisions, such as finance and its related fields.

Project Portfolio: [Absamed.github.io](https://github.com/Absamed) (Data analytics and machine learning projects)

WORK EXPERIENCE

Social Statistics Intern | **Ghana Statistical Service** *Nov 2025 – Dec 2025*

- ▶ Cleaned and processed datasets from key national institutions, including the Bank of Ghana and NADMO.
- ▶ Managed internal document routing across multiple directorates and the office of the Government Statistician.
